12 April 1957

To : Chief, Supplemental Programs Division, OC
From : Project Contracting Officer

Subject: Proposal for compatibility studies on alternate
Antennas for use with System 3

1. Reference is made to CMCC Document No. 151X5.460 from the Contractor dated 19 March 1957, a copy of which was previously forwarded to you.

2. As indicated in the attached letter, formal approval has now been given to the performance of the work. The work requires that additional funding in the amount of \$2,669.96 be made available by your office.

The Ramo-Wooldridge Corporation
Los Angeles 45, California

Gentlemen:

Reference is made to your letter dated 19 March 1957 (CMSC Doc. No. 151x5.460) containing 2 proposals under Contract A-101 for Compatibility studies on alternate antennas for use with System 3.

This letter confirms a verbal request that you proceed with both studies at total estimated costs including fee of \$2,669.96 (Harry's) and \$2,493.54 (FOG) respectively.

Dear George:

Enclosed are two (2) proposals covering compatibility studies on alternate antennas for use with System 3. We are proceeding with both studies based on your verbal authorization.

The first of these covers the antenna to be used in the P2V for Harry's program, and the second covers the Scimitar developed for use by the Follow-on Group in their RADAN equipped vehicles.

We have included a copy of this letter and the proposal for Jim's file.

Sincerely,

Dean
